BE COOL!
Climate Action Campaign

ADD YOUR VOICE!
HOW MANY KIDS NEED TO SHOUT SO WE LISTEN TO THEM ABOUT CLIMATE CHANGE?
We are recruiting kids to >>> join the chorus AND ignite climate action!

I WANNA BE COOL, IT ISN'T A JOKE!
We gathered climate scientists and songwriters to create songs that engage the public.
"I Wanna Be Cool," by award-winning Will Kimbrough & Brant Miller, is our climate change anthem, calling all of us to action.

TOGETHER, THERE'S NOT ONE SINGLE THING THAT WE COULDN'T DO!
